THE MEMORY

Alma Mater

Hail to thee, our Alma Mater,
We will do thee right,
In our hearts we'll hold you near us,
Hail: The Green and White.

CHORUS

Forward we will go and conquer
Onward to our goal,
Even though we meet with failure
Loyalty our goal.
Jakin High, we'll always love thee
Hold your colors high,
In our hearts we'll cherish memories
As the years go by.

Dedication

We, the Seniors of 1961, proudly dedicate this edition of "The Memory" to those who have given freely of their time and efforts to make our community and school years most successful.

First, we would like to express our appreciation to our sponsor, "Miss Dola Mae." She has gained a special place in our hearts through her unselfish work, ready assistance, and infinite patience.

Next, many thanks to our parents, whose manifold contributions have given us the tools that will enable us to carry out responsibilities to a satisfactory conclusion.

Principal's Message

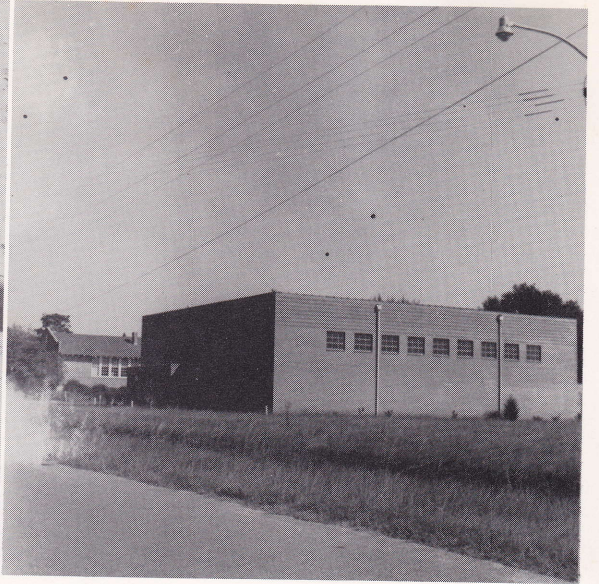

TO THE CLASS OF 1961:

While we have laughed, played, wept and worked together, you have made my heart glad on many occasions. In offering you my congratulations on your accomplishments and wishing you success in life, let me remind you of greater rewards for the ones that are willing to exert the intelligent effort. "Blessed is he who pays the price for great is his reward in heaven." Good luck and Godspeed.

Class History

In September of 1949, the class of '61, began its adventures on the Royal Road of Education. A more excited group of six year olds would have been hard to find; yet, like all first graders, we were shy and a little scared of this new way of life. Miss Willie Mosely was quite experienced in orientating beginners, however, and it wasn't long before we were feeling like school was our second home.

On down the road we traveled, past the sign posts marked second, third, and fourth grades. All the while we were gaining skill in the three R's, learning to get along with our classmates and teachers and developing both physically and mentally.

When we came to the turn in the Road marked 5th and 6th, the arrow pointed toward the big school building. Miss Vester Minter made us realize that even in the skill, school is more than just a game.

After passing the sign post marked 7th, we arrived after eight long years at an important event for us - our Eighth Grade Graduation. During this time we were under the leadership of Mrs. Elizabeth Mosely.

In 1958 we came to a crossroads in our Royal Journey and found ourselves in High School. We were the "Freshmen of J. H. S."

The next year, still progressing and becoming more and more a part of the High School, we were known as the Sophomores. Our Sophomore sponsor was Mr. S. J. Graham. Sue Evans joined us from Cedar Springs.

In September of our Junior year the students of Cedar Springs joined us and our school became their school. Julianne Megahee and Elmer Moore joined our class which increased it to 15 Juniors. Mrs. Ida Marcia Franks was our Junior class sponsor.

After Christmas of our Junior year we became very busy with our Junior play, "Her Kissin' Cousin." We certainly appreciated the help and assistance of Mrs. Dola Mae Evans and Mrs. Franks.

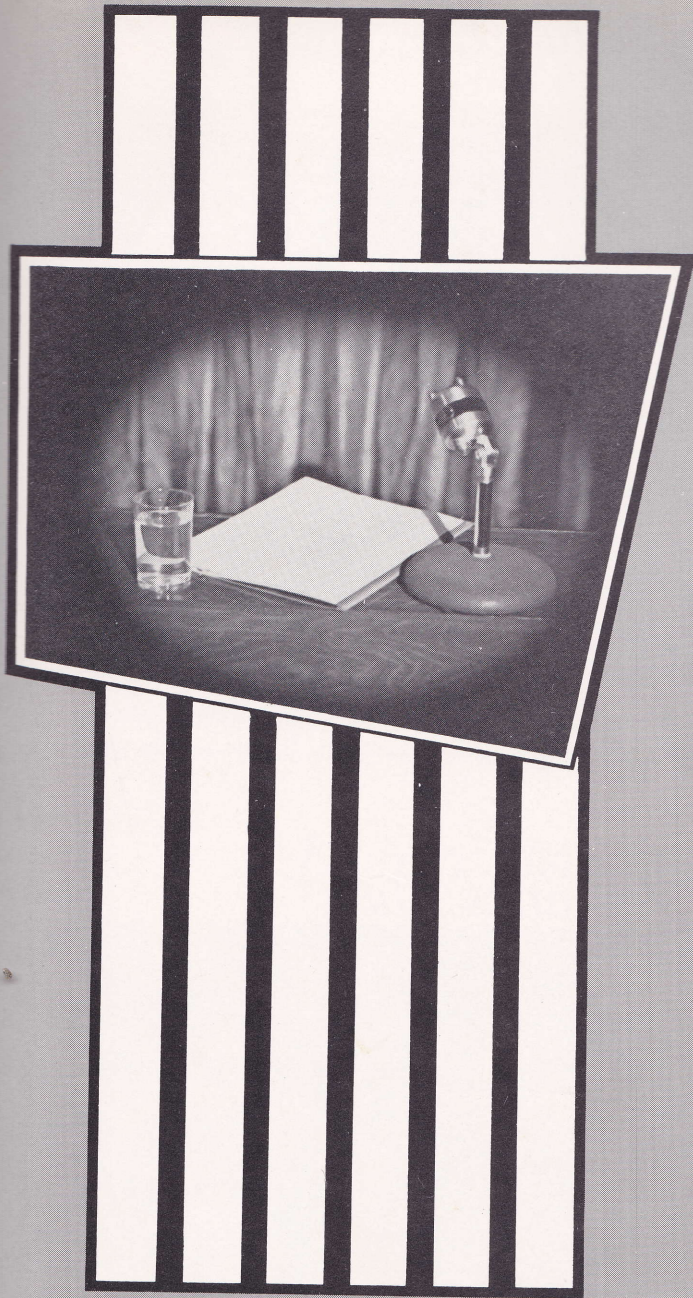

The night of May 16 was a red letter date on our calendar. This was the night of our big ball - the Junior-Senior. We selected "Moonlight and Roses" as our theme. It was the main event of the year and we felt that it was a big success.

Now we have come to the end of this Royal Journey. We now possess the title of Seniors of J. H. S. This last year will be the most memorable of our History.

It would have been impossible for us to attain our goals this year without the assistance of our loyal sponsor "Miss Dola Mae," and Mr. Cannon, our Principal. We appreciate so much all the many things they have done for us.

As we near the end of our Royal Journey and approach our destination - graduation - where we will be crowned by receiving our diplomas, we have a thrilled feeling, yet a humble one. We realize that because of these past twelve years we shall be better prepared to become useful citizens and to make a more worthwhile contribution to our society.

The memories of our school days at J. H. S. will remain with us always. All the fun, all the joys, all the sorrow we have experienced during these years will be in our hearts forever, and we shall always have a feeling of reverence and honor for our Royal Colors, the Green and White, our Alma Mater, and our castle, Jakin High School.
